

FOR IMMEDIATE RELEASE

R G ARCHITECTS SELECTED BY CHRISTINA SCHOOL DISTRICT

Odessa, DE. - 18 December 2007 - R G Architects have been selected by the Christina School District to provide professional design services for a major capital improvements project at Bayard Elementary School.

R G Architects, and their team of consultants, will assist Christina School District in planning renovations to convert the Bayard School into an intermediate school, housing students in grades 6-8. The building was originally constructed in 1971 as a middle school but was later converted to a K-6 school. Renovations mainly consist of completely renovating and installing new Science Labs, Vocational Education Labs, Art Rooms, Family and Consumer Science Areas, and Computer Rooms. In addition, upgrades to the existing Gymnasium shall be designed along with recreating locker rooms. The balance of the design consists of planning new finishes and lighting in many of the existing classrooms as well as upgrades to portions of the Auditorium, music and band rooms, and some paving replacement.

The project is scheduled to begin immediately and to be under construction in the summer of 2008.

RGA is an Architectural firm located in historic Odessa, Delaware. For further information, please call 302-376-8100, or visit www.rgarchitects.net.
