

FOR IMMEDIATE RELEASE

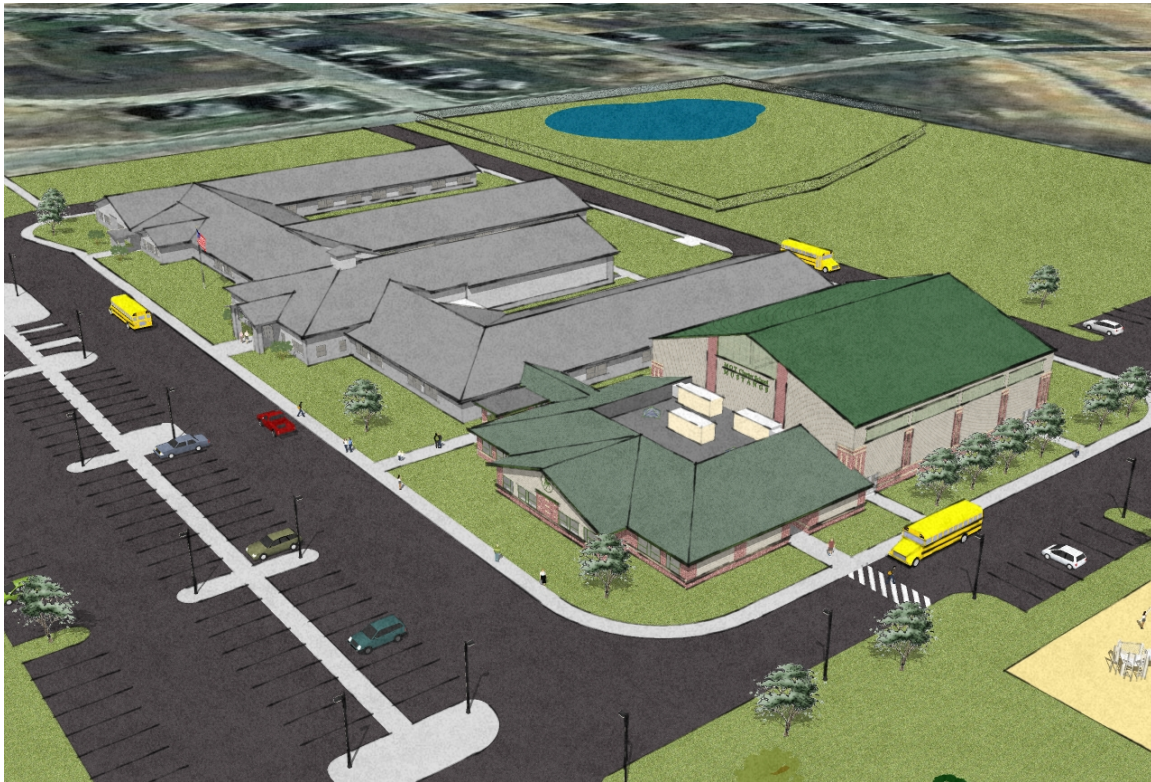

R G ARCHITECTS SELECTED BY MOT CHARTER SCHOOL

Odessa, DE. - 14 October 2009 - R G Architects have been selected by MOT Charter School to provide professional design services for a major addition.

R G Architects, and their team of consultants, will assist MOT Charter in planning a 19,000 square foot addition to the existing building on Levels Road in Middletown. The addition will be comprised of a full size gymnasium, with seating for 690, two team rooms, and translucent windows on all sides for energy efficient day lighting. In addition, the plans call for a large lobby area outside of the gymnasium that will feature a concession stand, skylights, and will serve as a gathering space for students, families, and those attending sporting functions. Adjacent to the lobby shall be a new library with large open windows providing natural light.

The design phase of the project is scheduled to begin immediately. No firm date has been given for construction to begin.

RGA is an Architectural firm located in historic Odessa, Delaware. For further information, please call 302-376-8100, or visit www.rgarchitects.net.
