MOUNT HARMON PLANTATION CELEBRATES THE OPENING OF ADAPTIVE
RE-USE PROJECT DESIGNED BY R G ARCHITECTS

Earleville, MD - 1 May 2011 – Mount Harmon Plantation proudly opened the doors to its new Education & Discovery Center on the plantation grounds in Earleville, Maryland.

The EDC makes its home in a former stable building, which was adapted into an interactive multi-purpose learning space. The EDC will serve as the orientation point for visitors, who will begin their tour with the Mount Harmon Highlights in History Exhibit, before heading off to the manor house and plantation.

RGA is an Architectural firm located in historic Odessa, Delaware. For further information, please call 302-376-8100, or visit www.rgarchitects.net.
