MOT CHARTER SCHOOL BREAKS GROUND ON ADDITION DESIGNED BY R G ARCHITECTS

Odessa, DE. - 10 June 2011 – The MOT Charter School hired R G Architects to design an addition to their existing school facility in Middletown, Delaware.

The 19,000 SF addition includes a full-size Gymnasium with locker room facilities and seating for 700 people, a new library and classrooms. Bancroft Construction Company is the General Contractor. The addition is slated to be completed in the spring of 2012.

RGA is an Architectural firm located in historic Odessa, Delaware. For further information, please call 302-376-8100, or visit www.rgarchitects.net.
